Volume

Handle **large volume of cases** without work falling through-the-cracks.

Quick Setup

Pre-loaded and pre-configured for No-Fault, PIP, Workers Compensation with **forms, reminders and workflows**.

Why Us?

One goal of Greenbills is to reduce the burden of paperwork from medical staff and to recoup lost efficiencies caused by workload saturation, paving the way for further practice growth. Practices have achieved significant cost savings through our solution – improving their bottom line by 10% to 25%.

Primary objective of Greenbills service is to use its billing expertise and to focus on maximizing insurances payments by properly processing the provider's claims.

We understand that one of the reasons employers self-fund their health care program is the ability to design a program that meets their individual needs. Greenbills is committed to providing each client with responsive, cost-effective services aimed at achieving their healthcare objectives.
